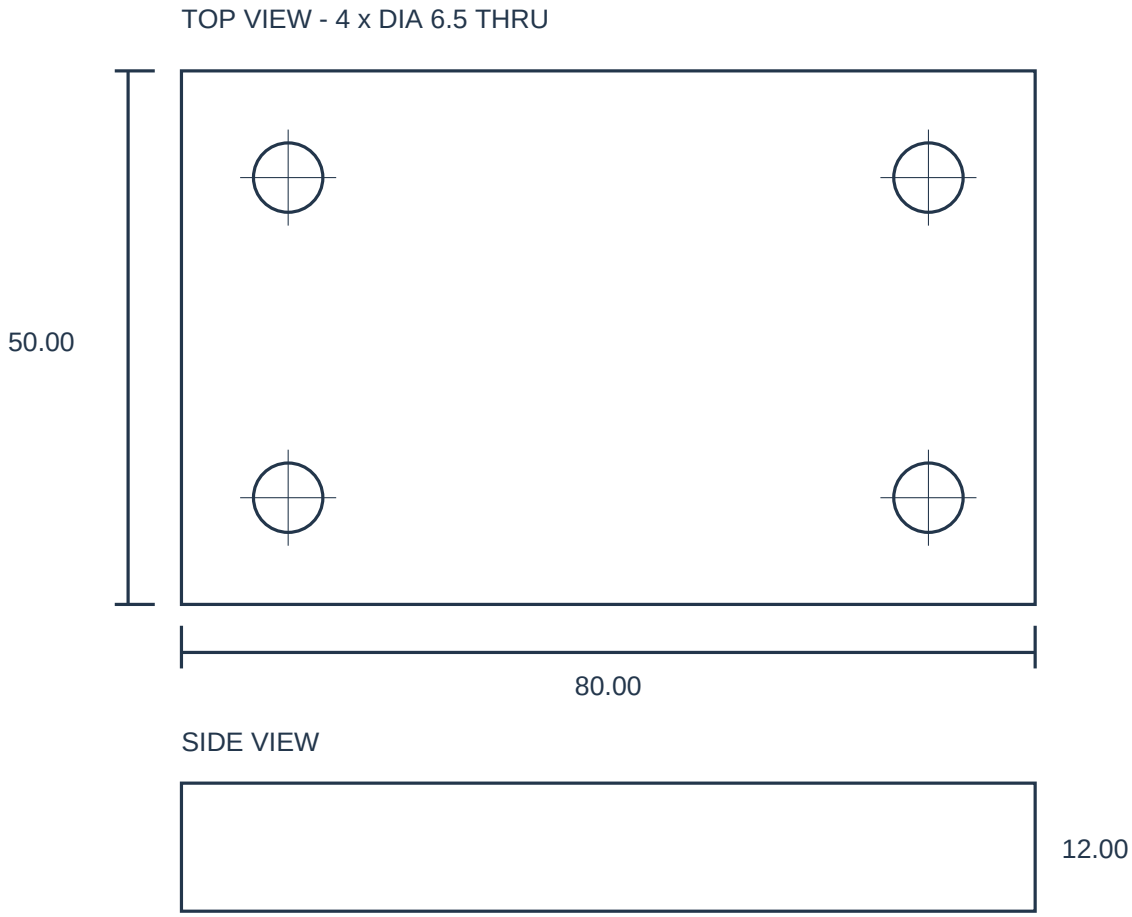
PrecisionMotion | Mounting plate

SYNTHETIC DEMO DATA - NOT FOR MANUFACTURING



Part number: PM-BRKT-010

Revision: B

Material: Al-6061-T6

Unit: inch

Width: 80.00

Height: 50.00

Thickness: 12.00

Hole diameter: 6.50

Hole centers: (10,10), (70,10), (10,40), (70,40)

Surface finish: Anodize

Selected dimension tolerance: +/-0.10 mm

Original training fixture. Simplified geometry; process times are separate demo assumptions.

Surface finish and dimensions are illustrative; no general tolerance standard is implied.

Sheet 1 / 1 | Units and title-block values must be confirmed before budget approval.
